Freethinking Leader Coalition

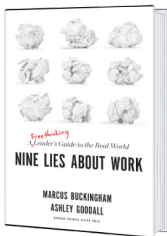

Harvard Business Review (HBR) is one of the most trusted voices in the world of work, and they've partnered with Marcus Buckingham (a leading expert on Talent at work and Co-Head of the ADP Research Institute) on a special initiative: The Freethinking Leader Coalition.

The Freethinking Leader Coalition provides exclusive access into Marcus's next book, *Nine Lies about Work*, and will expose the lies that companies use to shape their People strategy. Each month leading up to the publication, Marcus will reveal one of the lies from the book and do a live broadcast taking questions and discussing the truth behind the lie.
